Subject: Draft Hollywood Media District - Prepare for Wet Weather/El Nino

Dear Hollywood Media District:

The Los Angeles basin is bracing for several back-to-back rain events this week, and we want to be sure you have the most up-to-date information available on how the City is prepared for the wet weather:

311 is Now Open 24 Hours for El Niño

311 is now offering 24-Hour El Niño related service. Call 311 if you see or experience any El Niño related issues, such as power outages, downed powerlines, blocked storm drains, flooding or traffic lights going out. To call City departments directly:

- **Department of Water & Power** (213) 367-9869 (electrical outages, downed power lines)
- **Bureau of Sanitation** (800) 974-9794 (blocked storm drains, roadway flooding, trees down, mudslides)
- **Department of Transportation** (213) 485-4184 (to report traffic signal problems)

Get Your Sandbags from LAFD

The Los Angeles Fire Department (LAFD) is working closely with the Department of General Services and has ordered more than 200,000 ready-to-fill sandbags, made available at all Neighborhood Fire Stations (Please note that there is a 25-bag limit per household). For locations and info, go to [LAFD](#)

Get Alerts

We encourage you to stay ahead of the storm. Sign up for the City's emergency alerts that can be sent via text message, voice message, or email with [EL NINO LA - CITY](#)

Please take the necessary steps to keep safe this winter and if you have any questions please feel free to contact our BID office at [323-860-0088](#) or our 24/7 Security Team office at [323-871-4150](#).
